The screenshot shows the IFAC MOSAIC portal. At the top, the IFAC logo is on the left, followed by the text "International Federation of Accountants®" and the tagline "Strengthening Organizations, Advancing Economies". A search bar and "Select Language" dropdown are on the right. Below the header, there are navigation tabs: "ABOUT IFAC", "IFAC GLOBAL KNOWLEDGE GATEWAY", and "INDEPENDENT STANDARD-SETTING BOARDS". The main content area features the heading "MOSAIC Your Portal to Global Accountancy Development". Below this, a paragraph explains that MOSAIC is a historic Memorandum of Understanding that sets out the basis for improving cooperation and collaboration between IFAC, international donors, and the international development community. A world map is displayed with a "Zoom to Region" sidebar on the left, listing regions such as Africa, East Asia & Pacific, Europe & Central Asia, Latin America & Caribbean, Middle East & North Africa, South Asia, and North America. At the bottom, there is a "FILTER NATIONS BY STATUS" section with buttons for "Global Needs", "IFAC Member Bodies", "IFAC Associates", "PAOs", and "No PAOs".

The screenshot shows an article on the Accounting Today website. The header includes the "accountingTODAY" logo with "by Web CPA" and the URL "http://www.accountingtoday.com". There are "Back" and "Print" buttons. The article title is "IFAC Receives \$8.2M from U.K. to Develop National Accounting Organizations". The date is "APRIL 14, 2014" and the author is "BY MICHAEL COHN, E". The article text begins with "The International Fed Kingdom's Departme accountancy organiza".

The screenshot shows the homepage of "THE Accountant", described as "A Timetric briefing service". The navigation menu includes "Front Page", "News", "Features", "Country Reports", "Blogs", "Comments", "Conferences & Awards", and "Digital Ed". Below the menu, there are links for "IAB International Accounting Bulletin" and "AA Accountancy Asia", along with "Subscribe" and "Register for a free trial" buttons. The featured article is titled "UK DFID backs global capacity building projects" by Jonathan Minter, dated 11 April 2014. There are "Print" and "Email" buttons for the article. The article text states: "The UK Department for International Development (DFID) is to supply the International Federation of Accountants (IFAC) with £4.935m (\$8.254m) over seven years to strengthen professional accounting organisations (PAOs) in at least 10 developing countries from Asia, the Caribbean, the Middle East and North Africa. Under the agreement, IFAC will facilitate, coordinate and supervise capacity building programmes and technical support, including peer-to-peer support by more established PAOs, including those in the UK. IFAC chief executive officer Faye Choudhury said that well-functioning PAOs ensure a sustainable supply of".
